Helpful Hints and tip's : Stewardship of ITL and Random Events

Firstly thanks for the opportunity of allowing us to be of service to you.

After hundreds of events per year for over 11 years, unfortunately now is the time to make some changes to the structure of the ministry. This has come about due to abuse by SOME people.

The vision and direction to this day has not changed and God willing will not change.

The following is set out for the sole reason of the long-term stability of the ministry.

- 'ITL' and 'RE' were setup to support CHRISITAN BASED MINISTRIES to enable them to promote the Gospel and the message of hope it brings in a relevant way.
- We are a 100% faith based non profit ministry. We have never officially charged, only rely on donations. As the donations we receive don't come close to keeping the ministry running, we are always looking for support from financially able businesses or individuals. The very nature of the ministries means the Director is unable to hold down a fulltime job, so personal support for him to be available (at all hours) is much needed. Whatever you can afford. (One group gives 50Cents per week). The Director is so involved in these ministries, that he has been 'runner up' in 'Auckland of the year". Please contact the Director regarding where your support will best be used).
- Gear is to be picked up and returned at the **specified time**. (changes need notification Asap)
- Insurance is **your responsibility**.
- **Damaged or lost** gear must be notified as soon as practical.
- Lost or damaged gear **will be charged** for. (not because of fear wear and tear).
- Gear is **only to be used** at the agreed times/ venues and for the agreed event only.
- **NOT** for private use or events which are set out to make money
- To be used only at events which **honor God** and the growth of individuals.
- Dealings with our volunteer staff is to be done in an **appreciative way**.

Basically the ministries we offer, should be treated with at least the same respect as if it was a commercial hire business i.e. you break it—you pay, you return it late—you pay. (If your late, or return damaged gear, it causes much stress, and another group misses out. Just think if you had gear booked in, but the group before you didn't return it on time)

The main differences between our ministries and regular businesses are:

With Prayer, you decide what level of financial reimbursement you offer.
We have set out specifically for the encouragement and hope that only God can offer.

Nobody receives wages or a salary for their input into this ministry.

If it wasn't for our Faith in God, then this ministry would not be around.

PLEASE NOTE,

ITL and R.E are NOT setup for private individuals or groups to make profit off.

Although we do support church fundraisers for specific mission projects.

This gear belongs to God..... Please respect.

Please help us to be good stewards with the resources he has lent us.

No one is asking you to use our services, if you can't respect them, then please don't ring us.

We hope that if your enquiry fits into the direction and aims of this ministry, that we will be of great support and encouragement to your event for years to come.

Blessings
